DETAILED ACTION

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after allowance. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 7 August 2009 has been entered.
2. This Continued Examination Office Action is in reply to the Request for Continued Examination filed on 7 August 2009.
3. No claims have been amended.
4. Claims 1, 20, and 35 were previously allowed.
5. Claims 75 and 76 are new and have been added.
6. Claims 75 and 76 are currently pending but have not been examined.

Response to Amendment

7. The Notice of Allowance in the previous office action is withdrawn from issue in response to Applicants' request for continued examination of newly added claims 75 and 76.
8. A phone call was placed on 22 October 2009 to Applicants' representative, Jeremy Monaldo, requesting an interview to clarify the below rejection under 35 U.S.C. 112, second paragraph for Claim 75. In response, the Applicant has requested that an office action detailing the rejection be mailed in order to respond to the rejection.

Claim Rejections - 35 USC § 112

8. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

9. Claim 75 is rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. Claim 75 recites the limitation, "*that needs improvement*". This limitation is indefinite because it is not specifically known exactly what needs improvement. Clarification is required.
